

JAGFENCE® Z400™

LIMITED WARRANTY

Dedicated to the highest standards in quality and efficiency, JAGFENCE® modular steel fence systems are manufactured to a high standard. Galvanised steel components are passed through a multi-stage pretreatment (including zinc phosphate), followed by a zinc rich epoxy primer, which give significant protection against corrosion, and is finished with a gloss black polyester powder top coat, which provides another layer of protection to withstand harsh outdoor weathering affects.

Jagfence Systems, hereafter referred to as JFS, as a manufacturer, warrants to the original purchaser, and not to any other purchaser or subsequent owner, that its powder coated (as above) JAGFENCE® modular steel fence system, is free from defects in material & workmanship, and while under normal or intended usage, against corroding or blistering (discolouration does not apply). Normal and intended usage does not include physical damage, abrasion, salt, calcium or chemical exposure to the protective coating, under the following conditions from the date of original purchase:

FENCE INSALLATION	WARRANTY
All Gates	1 Year
From 2.5 to 10 kilometers from salt water coast line	1 Year
From 10 to 40 kilometers from salt water coast line	3 Years
From 40 kilometers and greater from salt water coast line	5 Years

Should the fence be improperly installed, altered from original form or damaged by installer, JFS will not be responsible for warranted performance or appearance of the materials. This warranty does not apply where failure or damage is due to improper use or application, abuse, misuse, vandalism or acts of God. JFS reserves the right to inspect the materials to determine validity of the claim.

Under this warranty, the manufacture's obligation is limited to the replacement of defective material or issuance of a prorated credit. The decision as to which method of redemption is allowed is solely at the discretion of JFS. If a prorated credit is chosen, the amount will be equal to the (1) original cost of materials at the date of purchase (2) multiplied by the total number of years (rounded up) remaining under warranty, (3) divided by the total number of years under the warranty period. Any labour charges for the removal and/or installation are not included and JFS will not be held responsible for such services.

A signed copy of this form must be accompanied with a copy of your purchase receipt and physical address of installed product. You must provide a detailed written explanation for your claim, along with any supporting documents (photo's reports, etc), in order for JFS to process your claim. JFS shall not be held responsible for warranted appearance or performance of the fence if it has been abused or improperly installed. In addition, JFS is not responsible for property damage, injury or other indirect, consequential or special damages arising directly out of the use of this fence, not withstanding the fact that said property damage, injury or other damages arose indirectly or directly from an alleged or actual defect in workmanship and/or material.

The above constitutes the complete warranty by the manufacturer. No other arrangement, either written or implied is valid. JFS does not authorize any other agent or person to make any warranty claims and will not assume nor authorize any agent or person to assume any other liability in connection with JAGFENCE® fence systems. Some jurisdictions do not allow an exclusion or limitation of consequential or incidental damages, so the above exclusions and limitations noted herein may not apply.
